MILITARY DEPARTMENT.

NOTIFICATION.

Dated July 1885.

The following papers relating to the closing by the Central Committee, Patriotic Fund, of the accounts of the fund and the transfer of the unexpended balance of the contributions to the Comptroller-General, who has been appointed to be an *ex-officio* trustee of the money, are published for general information:—

No. 1141-P-F., dated Calcutta, the 17th March 1885.

From—CAPTAIN W. J. B. BIRD, Honorary Secretary, Central Committee, Patriotic Fund,
To—The Secretary to the Government of India, Military Department.

I am desired by the Central Committee, Patriotic Fund, to inform you that the accounts of the fund have been finally closed, and that a considerable sum remains in their hands unspent. It now becomes necessary to make provision for the safe custody of the unexpended balance and to take measures to secure that the wishes of the donors of the fund shall be carried out as far as may be in the future.

2. From the Proceedings Book* of the Central Committee, which is forwarded to you with this letter, it will be seen that the Patriotic Fund originated in various sums of money which were generously placed at the disposal of the Government of India by Princes of India and others for the relief of Native soldiers and followers disabled, and for the families of those who had died during the war in Afghanistan, and for other objects connected with the war.

* Return requested.

A Committee was formed in July 1880 by Lord Ripon to receive such sums and to aid in their distribution. It was shortly after ascertained that military relief funds were being raised in England and in Bombay for the aid of sufferers by the Afghan war; and the late Viceroy held a meeting at Simla on the 14th September 1880 for the purpose of instituting a Central Patriotic Fund, with which the subscriptions already received from the Princes of India should be incorporated. A Central Committee, under Sir Donald Stewart (succeeded by General Wilson) as President, was appointed. Donations were invited from all classes of the community, local Committees were organised for receiving subscriptions in the various provinces, and a concerted plan of action was arranged with the Committees already formed in London and Bombay, which secured mutual co-operation between the Committees without any subordination of one to another. The Central Committee laid down the following simple rules for the distribution of the money received:—

(a)—For the relief of families of men who were killed or who died from the effects of wounds or sickness contracted on active service in Afghanistan during the war—

(i) For each European family	R 300
(ii) For each Native family, including followers, entitled to a pension	150
(iii) For each Native family, including followers, not entitled to a pension	200

(b)—For the relief of each wounded European and Native soldier or follower invalided on account of wounds or disease contracted on active service in Afghanistan during the war:—

(i) Extreme cases	R 100
(ii) Ordinary cases	50

All money to be distributed by regimental disbursing Committees at the above rates, lump sums being sent to officers commanding regiments, in accordance with lists of claimants, the validity of whose claims was to be certified by the officers forwarding them.

The audit of the Patriotic Fund accounts has been carried up to the 31st October 1884, since which date the operations of the Committee have been practically *nil*. The audit reports will be found in original in the Proceedings Book.

From the annexed statement of the Patriotic Fund accounts it will be seen that relief to the amount of Rs. 97,106 has been distributed to the classes entitled to it in India and other parts of the world; that the donations have amounted to Rs. 5,214; that the expense of administering the funds has amounted to Rs. 301; and that the total unexpended balance in the hands of the Central Committee amounts to Rs. 1,73,990.

Government Promissory Notes in the name of the President, Central Committee, Patriotic Fund, for nominal value Rs. 1,10,000. Cash balance Rs. 63,990.

The Central Committee having now completed the task allotted to them, desire to hand over the balance of the fund on trust to the Government of India, in the hope that they will accept the trust.

The Committee wish that the balance may be invested in Government Securities as a nucleus for a similar fund to be distributed on the general principles enumerated above by which the Central Committee have been guided, among the sufferers by any future war in which India may be engaged. It has been ascertained that the Comptroller-General and the Adjutant-General in India are prepared to act as *ex-officio* trustees (*vide* their letters enclosed), and the Central Committee suggest that they may be nominated by the Government of India to do so.

† Return requested.

The Central Committee would be glad, if the Government of India accept the trust, that this letter and statement of accounts, and your reply, should receive publicity in the Supplement to the *Gazette of India*, or in any other way which may appear suitable.

Statement of the Patriotic Fund Accounts made up to the 28th February 1885.

President, Central Committee, Patriotic Fund.

O. R. NEWMARCH, Lieut.-Col.,
Member, Central Committee, Patriotic Fund.

Extract from the Proceedings of the Government of India, in the Military Department, No. 382-B., under date Simla, the 1st July 1885.

Read—

Letter from the Honorary Secretary, Central Committee, Patriotic Fund, No. 1141-P.-F., dated Calcutta, the 17th March 1885.

OBSERVATIONS.—The Patriotic Fund originated in various sums of money which were generously placed at the disposal of the Government of India by Princes of India and others for the relief of Native soldiers and followers disabled, and for the families of those who had died during the war in Afghanistan, and for other objects connected with the war. A Committee was formed in July 1880 by Lord Ripon to receive such sums and to aid in their distribution. It was shortly afterwards ascertained that military relief funds were being raised in England and in Bombay for the aid of sufferers by the Afghan war, and the late Viceroy held a meeting at Simla on the 14th September 1880, for the purpose of instituting the Central Patriotic Fund, with which the subscriptions already received from the Princes of India should be incorporated. A Central Committee, under Sir Donald Stewart (succeeded by General Wilson) as President, was appointed. Up to the 28th February 1885 the donations to the fund have amounted to Rs. 52,214, and relief to the amount of Rs. 97,106 has been distributed to the classes entitled to it in India and other parts of the world. The expense of administering the fund has amounted to Rs. 301, and the total unexpended balance in the hands of the Central Committee amounts to Rs. 1,73,990.

2. The Central Committee have now completed the task allotted to them, and in order to make provision for the safe custody of the unexpended balance, and to ensure that the wishes of the donors of the fund shall be carried out in the future, desire to hand over the balance of the fund on trust to the Government of India in the Military Department.

RESOLUTION.—The Government of India resolve to accept the trust. The balance of Rs. 1,73,990 will be invested in Government Securities as a nucleus for a similar fund to be distributed among the sufferers by any future war in which India may be engaged on the same general principles by which the Central Committee have been guided. The Comptroller-General and the Adjutant-General in India are nominated to act as *ex-officio* trustees for the fund.

The Governor-General in Council will declare the occasions on which the fund will again come into active operation, and will then nominate a working Committee to administer it. The Comptroller-General will keep the fund in trust, will realise the interest accruing, and will reinvest the interest from time to time; he will also prepare, in conjunction with the Adjutant-General in India, an annual account of the fund and submit it for the information of the Government of India.

ORDERS BY THE VICE-CHANCELLOR AND SYNDICATE OF THE CALCUTTA UNIVERSITY.

The following changes in the Regulations in Arts which have been sanctioned by the Senate and approved by His Excellency the Governor General in Council, are published for general information:—
